FINDING THE PERFECT WALLPAPER TOOK HOURS OhMySpace In a world before Twitter themes and glossy Instagram filters, the height of internet design was customizing your MySpace page, and A LOT of time and effort went in to curating the perfect profile. Something that says, 'Yeah, my mum might still buy most of my clothes, but I'm a true rebel beneath that.' "3. Everyone's first and most loyal 'friend', the MySpace co-founder was a reassuring face that greeted each and every one of us and helped boost our overall friend count. As well as hoping your crush would see you're actually perfectly compatible (mostly because you copied their answers), there was also a part of you that secretly feared if you didn't answer those 14 questions, you might not live happily ever after. "A special someone," "The person who never notices me," and "You know who you are
