Here are the six conquests / related trophane: the first description of the defense: survive a reverse. Sink 10 ships in the north of the atleation without dying, while only the hunted fraud is active. Full present 2 making new friends Sequence 3 Choosing Sequence 4 The worthy Cause Complete present 3 A legend dies, and one is born complete sequence 5 Fraternity broken Sequence Complete 6 Sending a complete message Present 4 No Memory Noned final glitched templar so; Templar now complete the game Align full synchronization of the 12 achievements / trophane above, there is also an additional trophy that is granted by completing all the campaign missions with 100% synchronization. Fortunately, we are just invading supplies and how you know if you have invaded one previously, we really do not need to get into a fight. This fraud does so so that neither Shay nor Morrigan are able to regenerate the health, which makes the death of people and ships a little more challenging. Here is a list of these achievements / trophane in order that they will unlock: conquest / trophane description I did it? We simply need to complete any of these areas without being detected to win this trophane / accomplishment. The reverse boarding scenario acts similarly to the regular embarkation with you needed to kill a number of enemies for victory. Complete gift 1 Halcyon Days Sequence complete 1 The end of the complete sequence of young people 2 He is not dead, is he? Below you will find a categorized list of achievements / trophane in the game and how you can unlock each one. Crush takes a little more effort and requires you to destroy 100 bergs of ice. While all of them are fainted, hit them with a Berserk grenade for the realization of instantaneous vikings / roof. Creed Assassin Rogue has a of 50 achievements and 51 trophy. Visit all locations in the game 20 20 Description: Complete 17 story missions in the naval campaign. Complete an advanced post without being detected 20 camper description: LOOT 20 Supply camps. After releasing 300 prisoners in total, you will win the conquest / trophane. They can be viewed and crawled in the main animus menu. Both these achievements / roof require you to counter-attack killers who approach and try to kill you randomly during the game. 10 Phantom Queen Description: Fully update Morrigan. Well, you need to gather all the animus fragments and repair all computers from Abstergo, in addition to hunt challenges / intercepts and collectable à € à € à €
